## Comments Report

## Section C - Further comments

Which aspects of the module did you find most useful/enjoyable?

Very well organised lecturer.  
Helpful Ebridge notes.  
Huge amounts of information learned in the lectures  
Best lecturer in Philosophy!!

The general content of lectures was ~~a~~ very interesting as most of the topics covered were new to me.

~~The~~ Dr Came's module is very thorough as usual.

Extra bits of information on ebridge  
Having the chance to present our own findings

- The presentations were consistently clear & concise
- I liked the compulsory individual presentations as they further enhanced our knowledge & perspectives on the subjects.
- I found this module thoroughly interesting

Broader conception of philosophical theories regarding love

All of it.

Really useful and engaging lectures. Guidance and feedback from Dr. Came was great and very useful. Great module, great lecturer!

In what ways could the module be improved?

Nothing!

I found that doing presentations in the lectures were mostly irrelevant however it has become common practice across the department so is not just specific to the module.

More discussion based

Make sure each lecture starts and finishes one topic not go over to one and a half lectures creating confusion

- Maybe to incorporate 10 minutes of discussion at the end of each class ~~to~~ (if time permitted this). ~~as a~~
  - Wouldn't change any other aspect.
